

### REMARKS

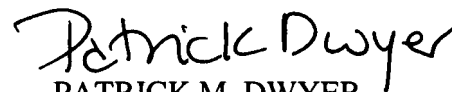

Claims 22, 27, 39 and 40 are pending. Claims 27 and 37 are cancelled. Claims 39 and 40 are amended to depend from claim 22. No new matter is added. Applicants reserve the right to file divisional/continuation applications to the cancelled subject matter.

Claims 22, 27, 39 and 40 are rejected under 35 USC 112 first paragraph, as allegedly not enabled for treatment of Alzheimer's disease. To expedite prosecution, independent Claim 27 has been cancelled and Applicants reserve the right to file divisional /continuation applications for this cancelled subject matter. Independent claim 22 does not contain reference to Alzheimer's disease but to subject matter which the office action indicates is enabled, primarily the reduction, deposition and persistence of A $\beta$  amyloid fibrils and as such Applicants respectfully request that the rejection be withdrawn. Dependent claims 39 and 40 have been amended to depend from claim 22.

Applicants respectfully request reconsideration of the rejection as it applies to pending claims 22, 39 and 40 in view of the amendments and remarks herein.

In view of the above, allowance of the application is respectfully requested.

Respectfully submitted,

PATRICK M. DWYER
